

New Jersey Jackals
Professional Baseball Organization

New Jersey Jackals - Full Time: Head Athletic Trainer

The New Jersey Jackals are seeking a full time head athletic trainer to be a part of our full season May 17-September 2 (plus the possibility of playoffs, potential end of season September 15). Responsibilities include but are not limited to the following:

Position Summary:

Provide Athletic Training Services to professional athletes under the direction of the New Jersey Jackals staff in accordance with professional athletic training practices.

Position Responsibilities:

- Treat athletic injuries including prevention, assessment, treatment and reconditioning
- Maintain accurate records of injuries, treatments and provide forms as appropriate
- Conduct an initial assessment of an athlete's injury or illness in order to provide emergency or continued care, and to determine whether they should be referred to physicians for definitive diagnosis and treatment.
- Assist with athletic training covering professional baseball players as needed.
- Apply protective or injury preventive devices such as tape, bandages, or braces to body parts such as ankles, fingers, or wrists.
- Assess and report the progress of recovering athletes to coaches and physicians.
- Collaborate with physicians in order to develop and implement comprehensive rehabilitation programs for athletic injuries.
- Evaluate athletes' readiness to play, and provide participation clearances when necessary and warranted.
- Adhere to all company policies, procedures and business ethic codes
